

We've seen a Hedgehog in our garden !!!

Did you know that?:

- Hedgehogs in rural areas have declined by 75% since 2000.
- In urban areas the numbers are stable

We can all help

- Be very careful when strimming
- Leave some leaves in the winter for them to shelter in
- Make a hole in the fence to allow them to move around easily
- Record your sightings - you can follow the QR code or for more information go to <https://www.raceagainstime.org.uk/what-is-happening/>

**HEDGEHOG DEATHS HAVE
BEEN REPORTED HERE**

PLEASE DRIVE CAREFULLY
